TOTIN' ICE

AROUND THE WORLD

In a fitting tribute to its world-wide acceptance, HOLIDAY ON ICE is proud to present the internationally famous Glamour "Icers". These precision skaters bring to global audiences the same brand of excellence American patrons have demanded and received since HOLIDAY'S inception and which has since brought pleasure to people in every land whose flag you see on the ice.

ROMANCE AND RHYTHM

For the second time, HOLIDAY ON ICE presents Arnold Shoda and Kay Servatius to those who appreciate skating perfection. This season, Mr. Shoda and Miss Servatius will be joined by still another fine artist whose rhythmic manners have captivated critics all over the country. . . . Shirley Winter. In presenting these three performers HOLIDAY ON ICE continues to bring America the finest in ice entertainment.
